

# TOPIARY TABLE CENTRES

Decorate each table with a small living Topiary Bay tree.

The most environmentally friendly table centre available to hire or can be supplied as a perfect memento for guests to keep.

Suitable for any event but the mythical association with romance makes Bay a perfect choice for weddings.

*Bay the Tree of Romance  
In Greek mythology the evergreen Bay leaf  
Symbolises Apollo's eternal love for Daphne*

The Ministem Bay trees are available with twisted stems or as a MiniCone. We can supply them in a choice of pot; terracotta, a small galvanised pail, cube mirror vase or we can be repot them to your preferred style. They come complete with white battery LED lights on green cable. Or you can hire Glass bubble vases filled with Ivy and Battery LED lights for the centre.

## Ministem Bay Tree

(*Laurus Nobilis*)

The average height is 70cm  
The typical head diameter is 25cm
